

Height above ground at least 8 ft. Total square feet 4.03

Materials Constructed of :
max-metal

Copies of a map or site plan at appropriate scale, or photograph(s) showing exact location, facing direction and type of sign are to be submitted with application. Also, a sketch of the sign to scale with descriptions and drawings or photographs are to be submitted with application. If sign is to be placed upon a building façade, submit sketch or elevations of the building façade including windows. Where appropriate, adjacent building facades or windows should be included.

Drawings or Photographs attached? YES NO

SIGNATURES

Applicant and Owner (if different) must sign the application.

I hereby certify that I have examined this application and know the same to be true and correct. All provisions of laws and ordinances covering this type of work will be complied with whether specified herein or not. The acceptance or approval of this application does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction, land use or the performance of construction. I have read and am familiar with the Town/Village of Ellicottville zoning law that is relevant to this application(s). This permit issuance expressly implies approval by the property owner of inspections required of the premises.
